GENEROSITY CAMPAIGN

PLEDGE GOAL: \$227,000

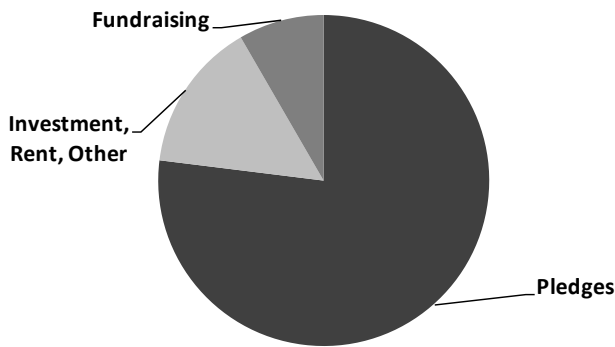

GATHERING IN . . . REACHING OUT

IMPORTANT DATES
Stewardship Sunday:

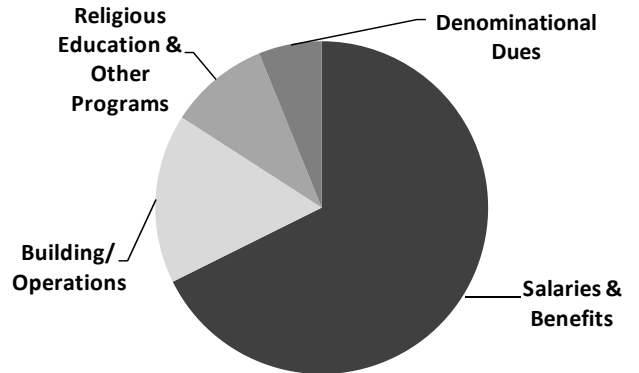

First Unitarian Church of Omaha needs your financial pledge to keep the church the vibrant community that it is—a place with two stimulating Sunday services, religious education for all ages, opportunities for spiritual growth and fellowship, outstanding music, and an active voice in our city. Our church community is fortunate to be staffed for growth and to be housed in a beautiful historic building. It costs \$1,232 per person to operate the church—to justly compensate staff, maintain the building, and support our programs. In the coming year we are asking each of you to consider a 6% increase in giving to eliminate our current budget deficit. **Your pledge is the single most important financial contribution you can make to the church.** We need your generous support.

PROPOSED BUDGET 2010-2011 - \$308,000
Our pledges are the major source of our church income.

Why pledge? Your pledge or contribution provides a solid basis to plan for the year ahead. Pledging allows the Finance Committee to know how much support to expect to plan to compensate staff, maintain the building, and operate programs.

What is a fair contribution? Please see the reverse side for suggested pledge guidelines based on income. If you have questions, contact Jennifer Larsen, Shelton Hendricks (990-6630), or Walt Jesteadt.

We are blessed with staff who support our two Sunday services, many learning opportunities, outstanding music programs, strong church communications, and beautiful building.
