

## Sanctuary Singers Spotlight – Beth Hoyt

**How long have you sung in the Sanctuary Singers?**

About 5 months or so!

**What voice part do you sing?**

Soprano

**What do you like most about singing in Sanctuary Singers?**

I really enjoy the people! I was invited to come by one of my friends and was coming on and off, but every time I was welcomed back with open arms. I've since committed to coming every week and am so glad I did, it's been so much fun singing in a larger group again! Everyone has been so kind and it's been lovely all around!

**Are you currently or have you ever sung in other group(s)? If so, tell us about them.**

I sang in my high school choir and select choir (basically a show choir with no dancing lol) as well as in multiple groups throughout college, including a treble choir and a small ensemble with about 4 people

**Have you had musical training? If so, please describe.**

I studied vocal music at my community college for a year and took voice lessons during that time as well, and I also took piano lessons for about 9 years

**Aside from singing, what other musical instruments do you play?**

I play alto saxophone and piano

**What is your favorite kind of music?**

I love the indie folk/indie rock genres but 80s pop also holds a special place in my heart :)

**What is (or was) your 'day job?'**

I'm currently a purchasing specialist for All Copy Products, an office equipment supplier

**Anything else you want us to know?**

Many thanks to everyone involved in Sanctuary Singers for welcoming me into this lovely community :)
