Sanctuary Singers Spotlight – Christina Noriega

How long have you sung in the Sanctuary Singers?
It seems I just started a year or two ago but it is at least 20 years!

What voice part do you sing?
Soprano 2

What do you like most about singing in Sanctuary Singers?
They are a very friendly group, the camaraderie great. The material is just challenging enough to keep me interested and the director is superb.

Are you currently or have you ever sung in other group(s)? If so, tell us about them.
This is the only group I've sung in outside of classrooms in school.

Have you had musical training? If so, please describe.
I have minimal musical training most of it in grade school.

Aside from singing, what other musical instruments do you play?
I used to play at playing the guitar, just strumming chords, but it's been awhile and I'm sure I've lost the nack. I have been considering taking it up again and taking lessons.

What is your favorite kind of music?
Folk music snd singer songwriter because they tell a clear story

What is (or was) your 'day job?'
Care Coordinator

Anything else you want us to know?
Choir has been a growing experience for me both musically and personally.
