

## **Energized Membership Team**

We have organized an effort in keeping with the revitalized spirit of this congregation, to expand and enhance our membership. You may have noticed some of the changes occurring in our vestibule to spruce up our welcoming effort for visitors. We are busy organizing a welcoming process, a path to membership plan, new member recognition, an assimilation plan for new members, and efforts directed toward retaining members we have. We will also be reviewing ways we can recognize long term members.

We have recruited some of you to help us and will be asking for more volunteers as we form our overview and define procedures for each step we take. We welcome all suggestions and feedback on how we are doing (and what we are doing). We want to make this a congregation-wide effort and we hope you agree that we have a lot to offer and a large potential for growth. An exciting time for all of us!

We will be periodically handing out more of our Points to Promote sheets that are suggestions about what members can do to build community in our church, to expand our presence within Omaha, to encourage visitors to return, and to promote new membership.

The members of our team are Carolyn McNamara, Ron Withem, Ben Wallace, Barbara Ross, Bill Ross, Lana Hammel, Janet West, Judith Wright, Jaime Alexander, and Stephen Meister. Feel free to contact any of us with questions, suggestions, or feedback.

We will keep you informed.  
Jacqueline Anderegg, Chair  
Membership Team
